'School ready' Reminders

- 5 reads per week
- Spelling / Times tables practice
- Named water bottle needed in school
- Trainers needed in school for PE Wednesday & Friday.

Writing

We will be description of the volcano from the perspective of someone living in Pompeii.

Year 4
Autumn Term
2026

Visits and Visitors
Roman history trip

History
Travelling back in time to 753BC, we will explore what life was like for the Romans.

Geography
Using maps will help us understand why people live near volcanoes or in earthquake zones.

RE
In RE, we will be discussing communities and belonging

Art
By looking at the artist Renoir, we will create a portrait with scaling and depth.

Computing
We will be learning all about computer systems and networks

Science
We will be learning how to classify animals

Design Technology
We will explore types of materials in order to design and make a cushion with fringe/ tassles.

Music
We will begin our wider opportunities music lessons learning to play the P-Buzz with Mrs Orr.

Jigsaw
Together we will understand the school community and the different roles of people.

PE
We will be presenting our own gymnastic performance
