

Woodland Primary School
The use and impact of the Sports Premium
2016 - 2017

Sport Premium 2016-2017 funding was £8628

This is how we have spent the money in the previous year and the impact it has had on PE and school sport at Woodland Primary.

What impact has the sports premium funding had in our school?

Where the money was spent	How the school has benefitted?
Employing a specialist PE teacher and mentor (Mr Grindley) to support staff in the delivery of high quality PE and school sport	<ul style="list-style-type: none"> • The school gained the <i>Gold School Games</i> kitemark award, recognising its commitment to participating in school sport both in school and across Hull. • The school won the 'Pupil Engagement in Physical Activity' award across the Yorkshire and Humber region. • Children each receive 2 hours of good or better rated PE sessions per week. • Children across the school have taken part in 18 sporting fixtures and events this year, compared to 8 in the previous year. 72% of KS2 children participated in an event this year in comparison to 68% the previous year. • Less active children were targeted to take part in a programme of inclusive sports such as Boccia, Goalball and New Age Kurling. This led to 18 children representing their school who would not normally have done so. • The school attended training and ran a 'Change 4 Life' club that again targeted 12 children that otherwise, do not usually engage with physical activity. The club also addressed healthy eating themes and promoted healthy lifestyles. 81% of the pupils in the club said that it had helped them to lead a healthier lifestyle. • The school has widened its links with local clubs including Baseball, Rugby with Archbishop Sentamu and Hull Kingston Rovers, Pelican Tennis and FA skills. • INSET sessions in addition to the CPD element of staff staying in with Mr Grindley / team-teaching and also external CPD on PE planning (CW) and dealing with children with Autism (CW). 100% of staff agreed (58% strongly agreed) that they now had more confidence in delivering PE sessions.
PE and school sport resources	<ul style="list-style-type: none"> • Inclusive sports resources - Boccia, Goalball and New Age Kurling. • Gymnastics equipment including additional PE mats • Lunctime equipment including bats, balls, dancing ribbons and pom poms • OAA/ problem-solving equipment for den-building activities ie tarpaulins, pegs, ropes and crates • Audit of resources is up to date and this has allowed for any gaps in provision to be identified.

Transport to and from fixtures and competitions	<ul style="list-style-type: none"> • This has ensured that children are able to take part in sport that is further than walking distance, especially as Hull School Games events are usually at St Mary's or further afield.
Sports membership	<ul style="list-style-type: none"> • The school took part in 12 events run by the School Games Organisers at a cost of £0.75 per pupil in the school.
Intra-sports	<ul style="list-style-type: none"> • Each class has taken part in three intra-sports events this year (termly) including: <ul style="list-style-type: none"> ○ Inclusive Intra-sport run by Y5-6 ○ Multi-sports Intra-festival in the Spring Term ○ Sports day / potted sports in the Summer Term • In 15-16, 68% of pupils took part in one or more intra-school events in comparison to 100% of pupils this year.
After-school sports clubs	<ul style="list-style-type: none"> • Over the year, the school ran a variety of free after-school clubs including: <ul style="list-style-type: none"> ○ Gymnastics ○ Dance/ Rock Challenge ○ Multi-skills KS1 ○ Football skills KS1 ○ Multi-skills KS2 • 77% pupils participated in one or more extra-curricular clubs this year in comparison to 69% in the previous year.
