

Woodland Primary School

PE and Sport Premium Allocation

2019 - 2020

Woodland Primary School is a vibrant inner-city school that provides a first class educational experience to its children.

We aim to ensure all our children are safe, enjoy coming to school, achieve highly and are very well prepared for life in modern Britain.

To achieve this, all members of the Woodland school community are expected to take responsibility and make a valuable contribution.

Our core values of respect, equality and effort underpin all aspects of our work.

Woodland has a history of commitment to high quality PE and Sport as evidenced through achieving the Sainsbury's Schools Game Mark at Gold Level for the previous two years. We have also been the overall Active Humber winners for the Yorkshire and Humber Region twice: Increased participation in Competitive Sport and Pupil Engagement in Physical Activity.

We are ensuring all improvements are sustainable year on year through the high quality professional development that all staff receive and through continued budget support. We are committed to high quality PE and Sport outcomes for all.
