

Woodland Primary School
PE and Sport Premium Review 2022-23

Key achievements to date until July 2023	Areas for further improvement and evidence to support this
<ul style="list-style-type: none"> • Breaktimes have seen all children regularly engaged in physical activity, either via organised games or by using newly purchased equipment available for their class. • Swimming lessons for Year 4 and additional swimming lessons for Year 5 were severely disrupted by industrial action and only 3 of the 5 sessions were able to take place. • Children continue to benefit from the security of having a school PE kit provided, ensuring inclusive participation by all. • Y5 and Y6 pupils have been trained as Junior Play Leaders by our Tigers Trust sports coach and have delivered a series of engaging and well attended physical activity games during lunchtimes. • All teachers have continued to develop their expertise in the teaching of PE through bespoke CPD delivered through a team-teaching approach with our Tigers Trust sports coach throughout the year. This coaching support for teaching and learning has led to an increase in confidence and competence in all teachers in delivering quality PE lessons. • Children from Year 1-6 have enjoyed participating in a range of physical after school clubs including Multi Sports, Zumba and Dance clubs. These have been well attended by all groups of children throughout the year and have been amongst our most popular extra-curricular activities. • Healthy life-styles were promoted in lessons and complimented the work of the Science curriculum (growing plants incl vegetables) and the DT food curriculum • Children in Year 6 all completed Bike Ability 	<ul style="list-style-type: none"> • New members of playground staff supervising activities will need training on facilitating and engaging children in physical play during breaktimes. • Additional swimming lessons for Year 5 and 6 to be sourced to replace lost lessons from summer 2023, so they achieve 25m before they leave school. • Continue to replace any PE kit as needed on a rolling program. • Training for the next cohort of Junior Play Leaders by our Tigers Trust sports coach as our Year 6 cohort have now left. • CPD delivered through a team-teaching approach with our Tigers Trust sports coach will continue next year as we increase our PE offer and take on a new PE curriculum. • Continue to widen our offer of active after school clubs, including increased engagement with outside agencies, to reflect our new PE curriculum. • Increase in curriculum time for PE from one session per week to two, supported by the implementation of a new PE program.

Meeting National Curriculum requirements for swimming and water safety – current Year 6 pupils	
% of current Year 6 cohort who swim competently, confidently and proficiently over a distance of at least 25m	48%
% of current Year 6 cohort who can use a range of strokes effectively (eg front crawl, backstroke, and breast stroke).	36%
% of current Year 6 cohort who perform safe self-rescue in different water-based situations	20%
School used Primary PE and Sport Premium to provide additional swimming over and above national curriculum requirements.	Yes, but severely affected to industrial action
