

About the books...

During this term our books and authors have been carefully chosen to engage our youngest children and introduce them to first concepts. Our stories are about the world we live in and our learning will be hands on and fun.

'School ready' Reminders

- Please make sure your child's name is in their school jumper/cardigan
- Please share a bedtime story with your child. You can choose one from our school collection.

Please encourage your child to become more independent by allowing them to undress and redress themselves.

Our learning this half term will be focussed on...

Learning to recognise our name without picture clues

Starting to write some letters in our name.

Understanding how many objects we have counted

Beginning to play together with one or more friends

Exploring collections of different materials

Exploring colour mixing, including adding white to see what happens.

Joining different materials together and exploring different textures

Learning that there are different countries in the world

Outside

We will use our garden to develop all our areas of learning but in particular, to use all of our senses to explore the world around us.
