#### Other news

Follow the Facebook page or go on to the school website to find out more details.

**FS2**

**Spring Term 2024**

**Arctic Winter**

**Visits and Visitors**

**Understanding the World**

This term we will be finding out about life in colder countries, the planet and London

**Communication and Language**

Over the term, we will learn how to engage with non-fiction books to acquire information.

**Physical Development**

This term we will develop small motor skills so that we can use a range of tools effectively.

**Expressive Arts and Design**

This term, we will express our feelings through music and dance. We will study Stephen Wiltshire

**Mathematics**

This term, we will be working with numbers from 5 to 10. Learning how to represent them and use them to calculate amounts. We will be learning about shape and time.

**Personal, Social and Emotional Development**

This term we will be working with partners setting ourselves a goal and talking about how we can overcome challenges.

**Literacy**

We will be learning letters and the sounds that they make. Putting the letter sounds together to make words that we can read and write.

**Outdoor Learning**

This term we will look at how the weather effects what is around us, the changes we make for ourselves and the animals in our world. We will be talking about journeys and different parts of the world and how they differ. We will be looking at different objects, counting and sorting them. We will discover the creatures that live in very cold places and how they survive. But most of all we will have lots of fun together in the outdoors!
