Spring Term
2023-2024

Visits and visitors

History visit
Heritage learning
Egyptians workshop

History

Travelling back 3,000 years ago, we will learn how the Ancient Egyptians lived.

Geography

Understand why rivers are important and how water is a resource.

Design Technology

We will be preparing and making a dish which combines naturally sourced sustainable products.

Art

Printing: Create a cityscape painting inspired by Alfred Wallis incorporating a printed element.

Computing

Over the term, we will be practicing our coding skills.

Science

This term we will observe magnetic forces and investigate light.

RE

We will consider the beliefs, values and rules in our lives which may be similar to religious rules.

Music

'Reggae' will help us to combine different sounds to create a specific mood or feeling.

Jigsaw

Together we will identify things, people and places that I need to keep safe from.

PE

This term we will focus on Netball and Dance.
