Year 3
Summer Term
2024

Visits/Visitors
Visiting the Street-life, we will become engineers and take on the ultimate bridge building challenge.

Geography
Use four figure grid references and identifying some OS map symbols, using a key.

Design Technology
We will explore how to stiffen or reinforce a structure in order to build our own bridge!

Art
By looking at the artist Van Gogh, we will apply colour using different techniques to paint a landscape.

Computing
We will be creating media and looking at our second unit of coding.

Science
This term we will explore what different plants need for life and growth.

RE
This term we will explain how activities at local places of worship create a sense of community.

Music
Our topic of "Disco" will help us to create repeated patterns with different instruments

Jigsaw
Together we will be looking at relationships and how expressing how we feel when change happens.

PE
This term we will focus rounders and OAA skills.
