Other news

Follow the facebook page or go on to the school website to find out more details. We are hoping to visit the museums in town, later in the term - date tbc.

Year 6
Summer term
2024

Visits and Visitors
Exploring a day in the life of a Victorian as well as residential opportunity.

History
Travelling back to the 1800s, we will identify how the Victorians lived in Britain.

Science
We will identify and name the parts of the human circulatory system, and describe their functions.

Geography.
This term we will be making reasonable judgements on how Hull has changed over time.

PE
This term we will focus on athletics: performing sequences and competing in games.

Design Technology
We will use electrical systems accurately to enhance our product.

Art
Looking at the artist Rosalind Minks, we will be exploring patterns and prints.

Computing
We will be putting our coding skills to the test!

RE
We will be able to answer big question from the point of view of two people from different

Music
'Pop' will help us evaluate how the venue, occasion and purpose affects the way music is created.

Jigsaw
Together we will understand how our own actions can affect others locally/ globally.
