

Woodland Primary School
PE and Sport Premium Review 2023-24

Key achievements to date until July 2024	Areas for further improvement and evidence to support this
<ul style="list-style-type: none"> The number of hours of direct teaching of PE in KS1 and 2 has almost doubled this year due to timetable expectations across the school alongside the adoption of a new scheme of learning (Get Set 4 PE). The range of sports taught has increased due to the implementation of a new Long Term Plan introduced in light of the adoption of a new scheme of learning (Get Set 4 PE) from FS2 to Y6. All KS1 and 2 teachers have increased their expertise in teaching PE and sport confidently and competently through CPD and team teaching approaches provided by expert coaches guiding their delivery of units of learning from the newly introduced scheme of learning (Get Set 4 PE). Includes Hull Badminton, Tigers Trust and Flex Dance. Breaktimes have seen all children regularly engaged in physical activity, either via organised games with Lunchtime Play Leaders at lunchtimes or by using newly purchased equipment available for their class during morning break. Children in KS1 and KS2 have participated in a wider range of sporting events and competitions with other schools in the city. HAS events have included Tennis, Boccia, Athletics, Dodgeball, Gymnastics and Golf. Children continue to benefit from the security of having a school PE kit provided, ensuring inclusive participation by all. Year 4, 5 and 6 pupils have been trained as Junior Play Leaders by our Tigers Trust sports coach and have delivered a series of engaging and well attended physical activity games during lunchtimes. Children from Year 1-6 have enjoyed participating in a range of physical after school clubs including Multi Sports, Badminton and Dance clubs. These have been well attended by all groups of children throughout the year and have been amongst our most popular extra-curricular activities. Children in Years 5 and 6 all completed Bike Ability with the vast majority gaining a Level 2 recognised award in safe cycling. 	<ul style="list-style-type: none"> CPD delivered through a team-teaching approach with our Tigers Trust sports coach and Flex Dance expert will continue next year as we embed our successful use of PE scheme of learning (Get Set 4 PE) Extend CPD opportunities to EYFS teachers to further develop their expertise in delivering PE. Continue to replace any PE kit as needed on a rolling program. Training for the next cohort of Junior Play Leaders by our Tigers Trust sports coach as our Year 6 cohort have now left. Continue to widen our participation in active after school clubs, including engagement with outside agencies.

Meeting National Curriculum requirements for swimming and water safety – current Year 6 pupils	
% of current Year 6 cohort who swim competently, confidently and proficiently over a distance of at least 25m	50%
% of current Year 6 cohort who can use a range of strokes effectively (eg front crawl, backstroke, and breast stroke).	38%
% of current Year 6 cohort who perform safe self-rescue in different water-based situations	25%
School used Primary PE and Sport Premium to provide additional swimming over and above national curriculum requirements.	No
