- increased access to the curriculum for disabled pupils;
 - improvements to the physical environment to increase access to education and associated services at the academies for disabled pupils; and
 - improvements in the provision of information for disabled pupils where it is provided in writing for non-disabled recipients.
- 1.2 This plan is to be adequately resourced, effectively implemented and regularly reviewed and revised as necessary, at least every three years.

- being guided by the National Curriculum Inclusion Statement and the aims set out for the school curriculum
- supporting a problem-solving approach and a commitment to the effective and sustainable use of resources
- using information from audit and other data collection approaches validated by research
- showing how the school plan is coordinated with the LA’s strategy
