2023-2024

Visits and visitors
Science Visit
_Colliderfest Science
Festival 2025

History
Travelling back 3,000
years ago, we will
learn how the
Ancient Egyptians
lived.

Geography
Understand why
rivers are important
and how water is a
resource.

Design Technology
We will be preparing
and making a dish
which combines
naturally sourced
sustainable products.

Art
Printing: Create a
cityscape painting
inspired by Alfred
Wallis incorporating a
printed element.

Computing
Over the term, we
will be practicing our
coding skills.

Science
This term we
will observe magnetic
forces and
investigate light.

RE
We will consider the
beliefs, values and
rules in our lives
which may be similar
to religious rules.

Music
'Reggae' will help us
to combine different
sounds to create a
specific mood or
feeling.

Jigsaw
Together we will
identify things,
people and places
that I need to keep
safe from.

PE
This term we will
focus on
Netball and
Gymnastics.
