Other news

Follow the Facebook page or go on to the school website to find out more details.

Year 1
Spring Term
2026

Visits/Visitors
This term, we will visit the church in better weather and explore the local area.

History
We will be looking at the life and significance of Neil Armstrong and the moon landing.

Geography
We will be looking at countries of the UK and their location.

Design Technology
We will explore ways to join fabrics to make a flag!

Art
By looking at the artist Paul Cezanne we will be drawing a still life image.

Computing
We will begin learning about coding and all about data.

Science
This term, we will be exploring materials and their simple properties.

RE
Over the course of the term we will know how and why people worship.

Music
We will continue to create short musical or rhythmic patterns.

Jigsaw
Together we will learn different ways of how to be clean and healthy.

PE
We will be learning how to send and receive and also all about fitness.
